An upscale hotel in the heart of the city, the chic Island Hotel Newport Beach is ideal for business and leisure travelers alike. Recently renovated, the hotel has been transformed into a charming oasis that not only boasts panoramic coastal views – the 295 guest rooms and suites feature private balconies or furnished patios overlooking the Pacific Ocean – but also offers every amenity necessary to truly enjoy your visit. From the moment you arrive at the Island Hotel Newport Beach, whether for a stay or simply to take advantage of the great food and nightlife options, the attentive care of the well-trained staff will make you feel right at home at this luxurious home away from home.

Ideally located across the street from the upscale shopping and fine dining that constitute Fashion Island, the five-star hotel is also an easy drive from popular Southern California attractions such as Disneyland, Knott's Berry Farm, and Angels Stadium. It's also conveniently close to John Wayne Airport, Long Beach Airport, Los Angeles International Airport, or Ontario Airport.

Featuring a new restaurant and lounge, new club lounge, boutique marketplace, and updated fitness and spa areas, the Island Hotel Newport Beach offers myriad amenities including curbside check-in, fast Wi-Fi, dedicated concierge services to nightly turndown service, iMac workstations, a DVD library, and many on-property conveniences. In addition, all of the room décor has been updated in an elegant, minimalist coastal style that incorporates pleasant splashes of color and luxurious touches – such as Egyptian cotton and goose down – to make your stay more enjoyable.

Coastal Dining at Its Best

Whether you choose the recently opened Oak Grill, Aqua Lounge, Island Club or decide to partake poolside, dining has never been more pleasurable than at the Island Hotel Newport Beach. Bask in the rays of the rising or setting sun as you settle into the Island Club atop the Island Hotel on the 20th floor. Allow the panoramic coastal views to enhance your experience as you enjoy continental-style breakfast goodies and evening snacks in this comfortable lounge, including beer and wine during the daily “wine down” hour.

Enjoy the live entertainment as you dine alfresco on the Oak Grill's beautiful outdoor deck area, lit by tree lanterns and a fire pit, or in the comfortable indoor seating. The menu incorporates global influences into its take on California cuisine. If you're looking to mingle, try the adjacent Aqua Lounge for a midday craft cocktail or a nightcap. Subtly lit with blue lights and designed around a well-appointed circular bar, the trendy lounge transforms into a lively yet intimate club as the evening goes on, featuring music and dancing with rotating DJs.
